## Carrier Rate Confirmation Terms

Unless otherwise noted, Carrier is responsible for making sure equipment/commodity is loaded correctly by shipper and within legal dimensions and weight for specific trailer type being used. If the shipper refuses to load your trailer due to the condition of your equipment, then we will not pay a Truck Order Not Used. Once carrier leaves the shipper's yard, they assume any and all responsibility for damage incurred from improperly loaded cargo. Upon delivery of the goods described herein to the designated delivery location, the receiver is required to provide a signed Bill of Lading (BOL) as confirmation of receipt of the goods in good condition. Failure to provide a signed BOL upon delivery, or to report any discrepancies in the condition or location of the delivered goods immediately, may result in delays in processing and potential disputes regarding the delivery confirmation and condition of the goods. In the event you do not fulfill the terms of this agreement, you will be subject to any and all fines associated with the service failure beginning with \$100 per day that you are late. We will not provide fuel advances for loads 1000 miles or further. THIS RATE CONFIRMATION IS NOT AN ACCEPTABLE FORM OF A PROOF OF DELIVERY AND DOING SO COULD RESULT IN A FINE.
